

BVV Sangha, Bagalkot
AMRUTA INSTITUTE OF ENGINEERING & MANAGEMENT SCIENCES

Approved by AICTE, New Delhi
Recognized by Government of Karnataka & Affiliated to VTU, Belagavi

AIEMS
BENGALURU

PERSPECTIVE / STRATEGIC PLAN

&

DEPLOYEMENT

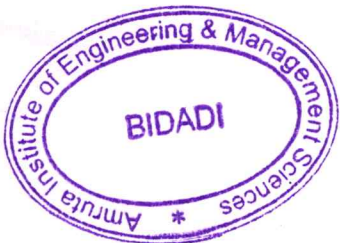

The AIEMS has a Perspective/Strategic Plan for overall development in a systematic and phased manner. The following activities are being taken up to meet the vision of the Institute;

1. Establishing recognized center of excellence and incubation centres
2. Providing state-of-the-art physical and digital infrastructure
3. Collaboration with industry and higher learning institutes
4. Designing and implementing the programs to enhance technical and soft skills of students

In accordance with our vision and mission, AIEMS has good infrastructure facilities with spacious classrooms, laboratories and digital infrastructure. The academic and extra-curricular activities are designed in line with NEP 2020.

The Management and IQAC has developed a perspective plan within the system as a guidelines for the decentralized committees . Some of the silent features of the plan are,

Sl. No	Strategic Plan
1	Improving students Admission and students Quality
2	Improving Placement & Placement Training activities
3	Enhancing Industry Institute Interaction Activities
4	Preparation for Establishment of state of the art centers and laboratories
5	Faculty & students development programs
6	Imbibing research culture in the institute
7	Quality initiatives -Accreditation activities
8	Improving Alumni Engagements
9	Enhancing green campus ,energy and environment sustainability initiatives

Strategic Planning

- Improving students Admission and students Quality
- Improving Placement & Placement activities
- Preparation for Establishment of Skill Laboratory
- Faculty & Students Development Programs
- Enhancing Scopus/WOS/SCI Indexed journal publications
- NAAC Accreditation
- Enhancing green campus ,energy and environment sustainability initiatives

- Collaborations with higher learning Institutions / Universities
- Establishment of Center of Excellence
- Enhancing Industry Institute Interaction Activities -involvement of Industry Experts in Teaching
- Effort for Funded Projects
- Enhancing green campus ,energy and environment sustainability initiatives
- Enhancing the number of Faculties with Ph.D Qualifications
- Establishment Incubation Center
- Applying for NBA Accreditation - CSE & ECE Departments

- Establishment of consultancy activities
- Enhancing incubation center
- Improving Alumni Engagements
- Enhancing Industry Institute Interaction Activities -Industry Support Laboratory set up
- Fetching Research Funds from Funding Agencies
- Promoting faculty for patent filing
- Enhancing green campus ,energy and environment sustainability initiatives

2023-24

2024-25

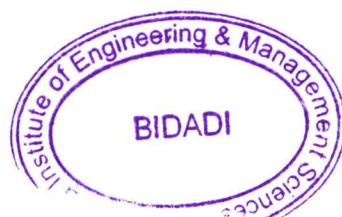

2025-26

2026-27

2027-28

- Enhancing the number of Faculties with Ph.D Qualifications
- ISO certification
- Enhancing Industry Institute Interaction Activities -MOU
- Improving Alumni Engagements
- Enhancing Scopus/WOS/SCI Indexed Journal Publications
- Increasing Research Support Activities
- Establishment of Skill Laboratory
- Preparation for NBA Accreditation - CSE & ECE Departments
- Enhancing green campus ,energy and environment sustainability initiatives

- Enhancing Incubation Center Activities
- Enhancing Scopus/WOS/SCI Indexed Journal Publications
- Improving Alumni Engagements
- Enhancing the number of Faculties with Ph.D Qualifications
- Enhancing Industry Institute Interaction Activities -involvement of Industry Experts in Teaching
- Enhancing Industry Institute Interaction Activities -Industry Support Laboratory set up
- Enhancing green campus ,energy and environment sustainability initiatives
