## Internal Quality Assurance Cell

### Minutes of Meeting held on 10<sup>th</sup> August 2024

A meeting of Internal Quality Assurance Cell (IQAC) committee members was held on August 10, 2024, at 10:30 AM in the Board Room of AIEMS.

The meeting commenced with the IQAC Convener, Prof. Anitha N, by welcoming all IQAC members.

The Chairperson, Dr. Santosh M. Muralan, Principal of AIEMS, provided a briefing on the importance of the IQAC and the accreditation process.

Agenda for the Meeting:

1. Discussion of the NAAC process.
2. Planning and strategies for upcoming quality enhancement initiatives.
3. Activities plans for the AY 2024-25.
4. Any other matters with the permission of the chair.

The following points were presented and discussed with all IQAC members

1. IQAC convener updated the activities and timeline of the NAAC application.
2. Activities of the IQAC at AIEMS for the academic year 2024-25 was discussed and approved.
3. Odd semester academic calendar for the academic year 2024-25 was discussed and approved in the meeting.

The following points were suggested by external Members of IQAC

1. Incorporate case study-based teaching in to courses to enhance practical understanding.
2. Students should develop technical skills within the institute, while leadership skills should be taught by management institutes or consultancy services.
3. Distribute sports and cultural activities throughout the academic year to boost student engagement and attendance.

4. Engage industry experts to teach certain courses to provide real-world insights and practical knowledge.
5. Introduce activities focused on health and mental well-being, drawing inspiration from initiatives like Swasta Community Services, and seek their assistance if needed.
6. Increase the frequency of feedback collection from first and second-year students, as they encounter more challenges compared to pre-final and final-year students.

Finally the meeting concluded by vote of thanks delivered by Dr. Rajeshwar Kadadevarmath, Dean Academics and HOD, Mechanical Engineering Department, AIEMS.
