<u>ISE FORUM DAY INAUGURATION</u>

The department of Information Science and Engineering has launched its forum on 14th September 2K24 for concentrating on the development of the students not only in Academics but also in different kind of activities like sports, technical, cultural etc.

"Every moment is a fresh new beginning, a wonderful inauguration of the great cosmic journey through the Universe. We can do whatever we want. We can change the reality at any moment".

The inauguration of a forum specifically for *Information Science Engineering (ISE)* usually serves as a formal event to establish a platform dedicated to the students and professionals in the field of Information Science and Technology. Such a forum aims to bring together students, faculty, industry experts, and alumni to engage in knowledge sharing, innovation, and skill development in various areas of Information Science like data science, artificial intelligence, cybersecurity, and software engineering.

Academic Year 2023-24 Batch students with Principal, Dean Academic and ISE Dept Staff

1. Purpose and Vision:

- **Knowledge Dissemination**: To create a collaborative environment where the latest advancements in Information Science can be discussed.
- **Networking and Collaboration:** Offering opportunities for students and faculty to connect with professionals in the industry.
- **Skill Development**: Organizing workshops, seminars, and hackathons to develop technical and soft skills relevant to Information Science Engineering.
- **Project-Based Learning**: Encouraging students to take part in projects and research initiatives.

2. Inaugural Ceremony Highlights:

- **Chief Guest and Keynote Speakers:** Often features talks by prominent figures from the information technology industry, academic leaders, or successful alumni. They may discuss trends such as big data analytics, artificial intelligence, machine learning, or software engineering practices.
- **Workshops and Technical Sessions:** Post-inauguration, the forum may conduct technical sessions on emerging technologies like cloud computing, blockchain, cybersecurity, etc.
- **Panel Discussions**: May include discussions on how ISE professionals can tackle real-world problems, the future of data sciences, or how to thrive in the tech industry.
- **Hackathons and Competitions:** An essential part of ISE forums is to stimulate innovation through coding competitions, hackathons, or project showcases where participants solve problems or develop software solutions.

3. Objectives of an ISE Forum:
   - **Promote Research and Innovation:** Encouraging students to take up research initiatives and contribute to technical papers or projects.
   - **Career Development:** Offering guidance for career paths in software development, data science, cybersecurity, etc., and facilitating campus placements or internships.
   - **Bridging the Academia-Industry Gap:** Creating a bridge between theoretical learning and practical applications by inviting industry professionals to share their experiences.

Proceedings:

Any successful events always starts with Ganesha Vandhana.

"Om Gan Ganapatay Namo Namah! Shri Siddhivinayak Namo Namah! Asta Vinayak Namo Namah!

Ganapati Bappa Moraiya!"

May Ganesha's grace shine on your life and light it up with joy

1. **Welcome Address:** Dr. Kumar B. I. D. Head of Information Science and Engineering Department delivered the welcome address, highlighting the importance of the forum.

2. **Lighting of the lamp:** Dr. Santosh M Muranal (Principal of AIEMS college) , **Dr. Rajeshwar Kadadevaramath** (Dean of AIEMS college) , Dr. Veeresh Patil (Head of Electronics and communication Engineering department) and Dr. Kumar B. I. D. (Head of Information Science and Engineering Department) lit the lamp to officially inaugurate the forum.

3. **Inaugural Address:** The Chief Guest delivered an inspiring speech, emphasizing.

4. **Forum Logo Reveal:** The forum logo was revealed by the chief guests launching the forum officially in the name of "<u>TECH TITANS"</u> which denotes creating technology as well as building knowledge to the people and institution, nurture and leverage technological innovation.

"Tech": This refers to technology, encompassing sectors such as software, hardware, the internet, telecommunications, artificial intelligence, and more.

"Titans": In mythology, titans were powerful deities who ruled during a golden age, symbolizing immense strength and influence. In modern usage, it refers to individuals or entities with great power or impact in a particular field.

When combined, "Tech Titans" conveys the idea of leading, powerful figures or companies in the technology industry that have a major influence on technological innovation, economy, or global development.

5. **Prize :** A prize announced to the students who have given Good Name and logo design for the Department. **Ms. Amruta S** and **Mr. Nirvan M** are receiving prize from our Honorable Principal **Dr. Santosh M Muranal** and Dean Academic **Dr. Rajeshwar Kadadevaramath**.

6. **Vote of thanks:** Vote of thanks was delivered to the chief guests, teaching and non-teaching staff members and all the students. Afterward, students and guests were led to the plantation ceremony organized by our department as a tribute to our beautiful planet and precious environment. As part of this initiative, each individual is encouraged to plant a tree on their birthday, contributing to the growth of natural resources and the protection of nature and humanity.

➢ After the inauguration of the plantation students and all the guests were headed to delicious lunch which was organized for all the members of the department inclusive of students and the chief guests.

➢ Cultural events followed the lunch giving a great mind-blowing experience for all the members. The events included:

- Solo-singing.

- Group Dance.

- Group Musical Performance.

- Ramp Walk.

- Other fun events

➢ Thus, the event ended successfully with involvement of each and every one of the departments and with great enthusiasm, the forum of the department was officially launched.
