Report on Forum Day Celebration 2k26

Igniting the Spirit: Forum Day 2K26 Celebration

“Forum Day is a celebration of Information Science & Engineering Staff & Students association - bringing everyone together to share ideas, build connections, and mark a meaningful step in their academic journey.”

INTRODUCTION

The Forum Day celebration was a vibrant and memorable event, filled with enthusiasm, creativity, and a spirit of togetherness. Students gathered with great excitement to showcase their talents and actively participate in various engaging activities. Dressed in colorful and elegant attire, they brought energy and liveliness to the occasion, making the event truly dynamic. The celebration fostered a sense of unity, collaboration, and belonging among all participants, strengthening the bond within the ISE Tech Titans community.

The program featured a variety of interactive sessions, cultural performances, and student-driven initiatives, providing a platform for expression, innovation, and teamwork. It encouraged meaningful interactions between students and faculty, creating an environment of support and inspiration. Through these activities, participants experienced personal growth, built new connections, and enhanced their confidence.

Forum Day symbolized the collective spirit, talent, and vision of the department, marking a significant and inspiring moment in the academic journey. It left behind lasting memories and motivated everyone to continue striving for excellence in all aspects of their development.

In addition to the cultural and interactive events, the celebration also included recognition of student achievements and contributions. Various participants were appreciated for their dedication, creativity, and active involvement in organizing and executing the program. This acknowledgment not only boosted their morale but also encouraged others to take initiative and participate more actively in departmental activities.

Overall, Forum Day served as a platform that brought together learning and enjoyment, creating a perfect balance between academics and extracurricular engagement. It strengthened the sense of community within the department and inspired students to continue exploring their potential, work collaboratively, and contribute meaningfully to future events and initiatives.

WATERING THE PLANT & LAMP OFFERING

The event commenced with the traditional Deepa Archana, along with the symbolic act of watering a plant, representing growth, sustainability, and the nurturing of life. This meaningful gesture highlighted the importance of environmental consciousness and the responsibility to care for nature, reflecting the values of patience, progress, and continuous development.

The ritual of lighting the lamp signifies the dispelling of darkness and the welcoming of wisdom, knowledge, and enlightenment. The Principal, joined by the esteemed faculty members, gracefully lit the ceremonial lamp, marking an auspicious and promising start to the occasion. This time-honored tradition reflects deep-rooted cultural values and serves as a reminder of the importance of light as a source of hope and guidance.

The soft glow of the lamps, combined with the symbolic nurturing of the plant, created an atmosphere of serenity, positivity, and reverence, setting the tone for the celebration ahead. These rituals inspired a sense of unity and purpose among all present, filling the venue with warmth and optimism. With this sacred beginning, the stage was beautifully set for the Forum Day festivities, encouraging a spirit of enthusiasm and joyful participation.

PRIZE DISTRIBUTION

The prize distribution ceremony was conducted to honor the winners of various department forum activities, recognizing their enthusiasm, talent, and active participation. The events included a wide range of fun and competitive activities such as short cricket, ludo, carrom, chess, lagori, treasure hunt, tug of war, and many more. These activities not only provided entertainment but also encouraged teamwork, strategic thinking, and sportsmanship among students.

The winners were appreciated for their outstanding performances, and their achievements added excitement and pride to the celebration. The ceremony served as a motivating moment for all participants, inspiring them to actively engage in future events with the same spirit and energy.

UNVEILING VOLUME III

The ISE Department's magazine, thoughtfully designed by Yogeshwari R. and Hitesh R., was officially unveiled during the Forum Day celebration.

The magazine, *Volume III*, encapsulates all the events conducted during the Odd Semester of the academic year 2025–26, serving as a comprehensive reflection of the department's activities, achievements, and vibrant student participation.

Their creative efforts brought a fresh perspective to the magazine, highlighting the spirit and innovation of the department. The release of the magazine added great significance to the occasion, capturing the attention and appreciation of the audience.

Their dedication and talent not only enhanced the quality of the publication but also contributed immensely to making the Forum Day a truly memorable and successful event.
